Dear Hydrographic Society of America Scholarship Committee,

Once again, I just wanted to extend my gratitude to the entire Hydrographic Society of America for all of your support in pursuing my education at Texas A&M Corpus Christi. My father and I very much enjoyed having the opportunity to participate in the Christmas party. The food was only surpassed by the wonderful company. This scholarship presentation allowed me to make contacts with people in the offshore industry that will hopefully eventually land my job. Again I thank you for the continued support of student education, and helping to support the high cost of getting a college education.

Sincerely,

Thomas Davis
